*Proceedings of the Madras Government, Revenue Department,
8th January 1861.*

No. 66. Read the following letter from Lieutenant R. H. BEDDOME, Officiating Conservator of Forests, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 9th November 1860, No. 246:—

SIR,

1. I have the honor to inform you that Captain Gib, Assistant Conservator of Forests, rs. lately appointed to the Wainád and Mysore range, has completed his first tour through his

| 14 Peons, at 6 Rs. each..... | 84 | they both propose an Establishment as per |
| | — | margin, as necessary for the Conservancy of |
| | Total..... 129 | the teak forests of Wainád. |

2. The proper Conservancy of this tract of forest, which is known as the Wainád and Heggadevinkotta teak forest is most important, it is from 40 to 60 miles in length by 20 to 30 miles in breadth, and contains an enormous supply of valuable teak. I consider that the Establishment proposed by Captain Gib, will not be more than is absolutely necessary for the Conservancy of this tract of forest.

3. The duties of these Peons will be to patrol the forest and prevent clandestine felling; to guard the fallen timber; and to stop parties from burning the forests for cultivation (Ponam).

4. The pay of these Peons is fixed at the rate given to those in the Revenue Survey Department in the Wainád.

5. An English Writer is absolutely necessary to enable Captain Gib to keep the account and books of his Establishment.

No. 67. ORDER THEREON, 8th January 1861, No. 35.

Order, 18th September 1860, No. 1,641.

1. In his letter of the 4th September No. 148, proposing arrangements for the care and management of the teak forests in Wainád adjoining Mysore and of the forests on the Mysore side of the boundary. Dr. Cleghorn stated, that after the Assistant Conservator, whose appointment he then proposed, had examined the rs. forests, an application would be submitted for an Establishment for him. The Acting Conservator now reports that Captain Gib, who, on Dr. Cleghorn's recommendation, was appointed Assistant Conservator in Wainád, having completed his first tour, has asked for the Establishment specified in the margin.

Captain Morgan supports the application.

2. The Establishment proposed is, in the opinion of Government, quite necessary and not at all large for the purpose in view. It will need great activity in the Peons and in Captain Gib himself, to enable it to do its works. As it is absolutely necessary to Captain Gib's efficiency the Honorable the Governor in Council authorizes him to entertain it in anticipation of the sanction of the Government of India, which will be applied for on an early date. In accordance with the arrangement set forth in the Order of the 18th September, No. 1,641, two-thirds of the cost is chargeable to Mysore.

Acting Secretary to Government.
