*Proceedings of the Madras Government, Revenue Department,
19th February 1861.*

No. 264. Read the following Proceedings of the Board of Revenue, dated 18th February 1861, No. 889.—

Read the following letter from J. SILVER, Esq., Collector of Tinnevely, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Trichendúr, 14th February 1861, No. 80.

SIR,

1. Adverting to paragraph 6 of the Order of Government of 18th January 1861, No. 132, communicated to me by the Board on the 25th January, I have the honor to report, that I addressed a letter to Dr. Reed the local medical practitioner of Tuticorin, inquiring if a remuneration at the rate of 5 Rupees a day would meet his views, in case his services were requested during the Pearl Fishery, and that Dr. Reed has not thought fit to reply to my letter.

2. I was of opinion at the time that he would not consider the proposed payment sufficient.

3. I would beg again particularly to request, that Assistant Surgeon Morgan of the 17th Regiment be detached along with a Company from that Regiment to Tuticorin, during the time of the Fishery, and that Officers and men may be remunerated at such rate as Government may fix.

4. The presence of a Company of Sepoys is essentially necessary, where a very large concourse of people will be assembled, and much money changing hands.

5. With Assistant Surgeon Morgan on the spot, and a proper supply of medicines, another Medical Officer is unnecessary.

6. I request the Board will have the goodness to reply to me by Telegraph.

Submitted for the early orders of Government in continuation of the Board's Proceedings, dated 15th February 1861, No. 865.

(A true Copy and Extract.)
