*Proceedings of the Madras Government, Revenue Department,
21st February 1861.*

No. 298. Read the following letter from C. PELLY, Esq., Member of the Board of Revenue, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated Fort Saint George, 31st January 1861, No. 711:—

SIR,

1. I have the honor to submit for the consideration of Government a letter* received from the Collector of Nellore urging again the necessity of locating a Sub-Magistrate at Nellore Town. By their Order dated 4th August 1860, No. 1,293, it will be seen that the Government were prepared to re-consider the question, if after trial such an Officer should still be deemed necessary, on sufficient cause being shown. The Collector now states that he has not been able to dispense with the Amín now stationed at Nellore in consequence of the heavy work devolving on the Tahsildár, increased by the Income Tax Assessor's duties. Under these circumstances as the Collector gives it as his decided opinion that it will not do for the Town of Nellore to be without a Sub-Magistrate, and as the Inspector General of Mufassal Police was of the same opinion, and as Sub-Magistrates have been found necessary in other large Towns at the Head quarters of the District, I beg to recommend that the sanction of Government may be granted for the entertainment at Nellore of a Sub-Magistrate's Establishment of 3rd class amounting to Rupees 84. The present Town Amín gets 40 Rupees a month, and this Officer is retained by the Collector pending the receipt of the sanction of Government for the new Establishment. The population is more than 25,000 persons.

No. 299. ORDER THEREON, 21st February 1861, No. 406.

1. Mr. Pelly forwards a letter from the Collector of Nellore, on the subject of appointing a Sub-Magistrate for the Cusbah of Nellore.

2. When considering a scheme for the location of Subordinate Magisterial Officers in the Nellore District, the Government agreed with Mr. Pelly that a Town Magistrate was not wanted at the Town of Nellore. They however stated that they would be prepared to re-consider the question, if after trial, such an Officer should still be deemed necessary, on sufficient cause being shown.

3. For reasons detailed the Collector again submits that a Sub-Magistrate is absolutely necessary in the room of the present Town Police Amín, and the Inspector General of Police agrees with him. Mr. Pelly recommends a compliance with Mr. Dykes' proposal, and solicits sanction for the entertainment of a Sub-Magistrate of the third class with the regular Establishment amounting in the whole to Rupees 84 per month.

4. Under the circumstances stated, and in consideration that Nellore is believed to contain a population of 28,000 persons, and is also on the Great Northern Trunk Road, the Government sanction the Sub-Magistrate's Establishment for the Town of Nellore as recommended by Mr. Pelly.
