Sir,

No 3 of 22 October 1861

I have just received the Proceedings of Government communicating to me the endorsement of the officiating Civil Paymaster on my application for leave, a certificate from the Ag. Jillah Surgeon here was forwarded on the 25th ulto. appended to my case, for the signature of the Dy. Inspector General of the Division, and through him, for that of the Principal Inspector, Medical Department, by whom it will I presume be laid before Government. Believing this to be the proper course, I did not send any certificate with my application for leave, as it had already

gone through another channel for counter
signature.

2 I now forward a medical
certificate direct.

I have the honor to be

Sir

Your most obedient servant
