*Proceedings of the Madras Government, Revenue Department,
8th January 1861.*

No. 78. Read the following Proceedings of the Board of Revenue, dated 4th January 1861, No. 33 :—

Read the following letter from JAMES FRASER, Esq., Collector of South Canara, to W. HUDLESTON, Esq., Acting Secretary to the Board of Revenue, Fort Saint George, dated Mangalore, 24th December 1860, No. 226.

SIR,

I have the honor to point out what appears to be an error in the Tariff published in the Official Gazette, dated 14th instant, page 1,127. The value of Linseed oil, country, per cwt. is therein entered as one Rupee per cwt., while in the Bombay Gazette which is received at this Office, the value is Rupees 12. The latter appearing to be correct, I have issued instructions accordingly.

1. Ordered to be submitted to Government with the Board's recommendation that a special list of errata be issued to all authorities receiving the Gazette, and that the correction be also notified in several issues of the Gazette itself.

2. A comparison with the copy of the Tariff received from Calcutta shows that the Collector's correction is the right one.

(A true Extract and Copy.)

(Signed) W. HUDLESTON, *Acting Secretary.*

No. 79. ORDER THEREON, 8th January 1861, No. 41.

1. Besides the error pointed out in these Proceedings, three others exist in the Import Tariff as published in the Fort Saint George Gazette. The Superintendent of the Government Press will send out immediately and insert in several successive issues of the Gazette a list of errata in the subjoined form.

2. The following ERRATA in the Import Tariff published in the *Gazette Extraordinary* dated 11th December 1860, and in the Gazettes of the 14th, 18th and 21st idem, are published for general information :—
