*Proceedings of the Madras Government, Revenue Department,
8th January 1861.*

No. 80. Read the following Proceedings of the Board of Revenue, dated 5th December 1860, No. 5,687:—

Read the following letter from A. WEDDERBURN, Esq., Officiating Collector of Cuddapah, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated 8th November 1860, No. 133.

SIR,

1. As requested in Board's Proceedings, No. 4,841 of 22nd October 1860, on my letter of 3rd idem, No. 115, I have the honor to forward a detailed list of types, &c., distinguishing the serviceable from the unserviceable, and in reference to the Board's remarks regarding "the last supply of Telugu types forwarded only in November 1859," I have to state that although that supply was sanctioned by Government in May and October 1859, only 40 $\frac{1}{2}$ lbs. were received in 1859, and the remainder 250 lbs. on the 20th October 1860, subsequent to the despatch of my letter, 3rd idem noted in the above Proceedings.

2. With regard to the large amount of types to be returned as unserviceable, the Board may be aware that the press and types were old articles received in 1856 from Bellary, where they had been many years in use.

Statement showing the quantity of serviceable and unserviceable types at the Collectorate Press, Cuddapah.
