FINANCIAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from C. H. LUSHINGTON, Esq., Secretary to the Government of India, Financial Department, to the Chief Secretary to the Government of Madras, dated Fort William, 25th January, 1861, No. 887.

1. The Acting Civil Auditor at Madras, having intimated to this Government, that the Government of Madras has ruled that service in the Income Tax Department, will count towards Pension, under the Uncovenanted Service Rules like any other Government service, I am directed to state that where men serving in posts entitling them to pension have been transferred to the Income Tax Department, they should certainly still be considered as in the regular service and entitled to pension.

2. But where others are employed, not previously entitled to pension, the President in Council considers that care should be taken not to burden the Pension List by a number of men whose services may possibly by some simplification of the Income Tax or otherwise not be required beyond a year or two.

3. His Honor in Council therefore thinks that it would be better as far as possible to keep all who are not already Civil Servants, on the footing of temporary employment even though for such employment the State be put to some extra expense in the shape of a small additional pay.

4. With these observations, His Honor in Council is pleased to confirm the ruling of the Madras Government, so far as it relates to Officers already on a permanent footing.

ORDER THEREON, 22nd February 1861, No. 98.

Communicated to the Revenue Department in reference to the Order in that Department, dated the 3rd ultimo, No. 4, and also to the Civil Auditor and the Civil Pension Department.
