*Proceedings of the Madras Government, Revenue Department,
2nd March 1861.*

No. 10. Read the following Proceedings of the Board of Revenue, dated 9th February 1861, No. 736:—

Read the following letter from A. PURVIS, Esq., Collector of the Godavery District, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Dowlaish-
weram, 21st January 1861, No. 8.

SIR,

I have the honor to acknowledge the receipt of the Proceedings of the Board of Revenue of the 10th instant, forwarding copy of the Order of Government of the 8th idem, and to state that the building in question, the title to which I have since learnt, is now under litigation in the Civil Court, is totally unfit for the accommodation of Sub-Collector as an Office, being a common native house. The only real use of the building, in addition to the very good Kacheri provided by the Sub-Collector, and built for the purpose in the compound occupied by him, is to hold the small Printing Press established by Mr. Taylor, and still in use. It holds also some of the Records, and a few of the Office servants, but this is unnecessary, there being sufficient accommodation for them in the building used by the Sub-Collector himself.

1. Ordered to be submitted to Government, with reference to their Proceedings, dated 8th January 1861, No. 39, Revenue Department.

2. The Board do not consider that under the circumstances stated by the Collector, any change is called for in the present arrangement.

No. 11. ORDER THEREON, 2nd March 1861, No. 476.

1. The Sub-Collector receives extra tent allowance while at Narsapur on the condition that he shall provide Office accommodation for his Establishment; and he has no more right to ask Government to pay any part of the rent of the supplementary building now in question, than to ask them to pay for the entire accommodation of the Office.

2. The Government will not recall the sanction granted in paragraph 1 of the Order of 8th January 1861, No. 39; but it must be understood that for the future they will not be responsible for any part of the rent.

(Signed) J. D. BOURDILLON,
Secretary to Government.

The question
 was, who

 the time that

 the first time

No 307. 8. San Antonio was paid Prof of Gub
for this amount, and enquiry was 8 Jan 1839
at the same time made whether
it would not be more economical
for the Gub to rent the building
in question, and under that arrange-
ment no extra but allowance
need be paid to the Sub Coltr
while at his station.

The collector now explains
that the building the title to which
he has, is under litigation,
is unfit for the accommodation
of the Sub Coltr as an office.
The only real use of the building
he states, in addition to the very
good kitchen provided by the Sub
Coltr, and built for the purpose

in the circumstances occupied by him,
is to hold a small Court Room.
It also holds some of the
records, and a few of the office
servants, but the Sub Coltr considers
this unnecessary, there being suf-
ficient accommodation for
them in the building near by
the Sub Coltr himself. He
also remarks that under these
circumstances, no change is
called for in the present arrangement.
He says he is not, and is
not of opinion that
it is necessary to
change the Sub Coltr's
accommodation. He states that all the
circumstances of the case are such
as to require no change in the
arrangement. He states that the
Sub Coltr's accommodation is
sufficient for the purpose.
