

*Proceedings of the Madras Government, Revenue Department,
4th March 1861.*

No. 32. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 21st February 1861, No. 290 :—

SIR,

1. I have the honor to submit for the sanction of Government, the recommendation of the Superintendent of Revenue Survey, contained in the enclosed letter for an increase of Rs. (50) fifty per mensem to the pay of Mr. Leggat the 2nd Assistant Superintendent of Survey in Wainád, on consideration of extra duties assigned to him in connecting the Estate Survey in that locality with the Trigonometrical Survey and the additional trouble and expense incurred in the same. This sum can be made up out of the unexpended portions of salaries in this party.

2. With respect to the modifications in the plan of Survey suggested by Captain Priestley's observation of the Ceylon Survey and alluded to in the letter submitted, I may remark that the course pursued is substantially the same as that sanctioned by Government in Proceedings dated 16th May 1860, No. 789, for the prosecution of the Wainád Survey.

No. 33. ORDER THEREON, 4th March 1861, No. 487.

On the recommendation of Captain Priestley and the Director of Revenue Settlement the Honorable the Governor in Council is pleased to grant to Mr. Leggat, 2nd Assistant Superintendent of Revenue Survey in Wainád, an increase of Rupees 50 per mensem to his salary while employed on the duty of connecting the Estate Survey in that Táluq with the Trigonometrical Survey.
