*Proceedings of the Madras Government, Revenue Department,
9th January 1861.*

No. 98. Read the following letter from GEORGE PEARSE, Esq., M.D.,) Principal
Inspector General, Medical Department, Fort Saint George, to T. PYCROFT, Esq.,
Chief Secretary to Government, Public Department, Fort Saint George, dated Madras,
19th December 1860, No. 191 :—

SIR,

1. Adverting to Proceedings of the Board of
Revenue Department, No. 1,734, dated 3rd instant. Revenue with order of Government as per margin, I
have the honor to observe, that to regulate the
increasing expenditure of medicines in the Civil
Department, it is absolutely necessary, that some check should be exercised in the control of
requisitions from Collectors, and with the limited supply of European medicines sanctioned by
the Home Authorities, chiefly for their Civil and Military servants, it will be impossible to
issue medicines to the population generally.

2. The requisitions for Tāluq supplies should, therefore, I conceive, be complied with
only so far as the state of the store department, will from time to time admit.

3. Without some such check it will not be possible to frame estimates of probable
expenditure as now required by the Financial Department.

4. I concur entirely in the views expressed by the Revenue Board in paragraph 3 of
their Proceedings as regards extra medical aid.

No. 99.

ORDER THEREON, 9th January 1861, No. 51.

The Inspector General is requested to state whether the experience of past years does not
enable him to make provision for these demands under all ordinary circumstances.

Acting Secretary to Government.
