To

W. Huddleston Esq^{re}
Secretary to the Board of Revenue
Fort St. George

Sir,

I have the honor to report to the
Board on the prospects of
the Season in this District.

The Wet dry and
Garden Cultivation raised
up to the end of September,
is given in the Margin,
in Comparison with that
raised to the correspond-
ing period of last year.

Almost all the Cane Crops have
been harvested.

2. There has been no rain from the 1st of
October, and consequently Peshawar Cultivation
has been raised to a very limited extent,
and the prices of Grain are rising.

3. The main river, Indus, is
very low, and there is no water in the rainfed
lands. The Wet and Dry Crops already
raised are languishing for want of water,
but I trust we shall have the North East
Monsoon, before long.

Sincerely, I have, &c.
