Proceedings of the Madras Government, Revenue Department, 15th March 1861.

No. 288. Read the following Proceedings of the Board of Revenue, dated 26th February 1861, No. 1,048:—

Read the following letter from V. H. LEVINGE, Esq., Collector of Madura, to W. HUDLESTON, Esq., Acting Secretary to the Board of Revenue, Fort Saint George, dated 14th January 1861, No. 14.

SIR,

From Board, 7th January 1859, *No.* 53.
To ,, 31*st December* 1859.
From ,, 23*rd January* 1860, *No.* 367.
,, ,, 20*th February* 1860.

1. With reference to the marginal correspondence, I have the honor to inform the Board that Ammápatti, supposed to be one of the 13 villages of the Tirumangalum Táluq recommended to be made over to Tinnevelly, is a village belonging to the Táluq of Mádakulam, the property of the servants of the Madura Pagoda. It was erroneously stated to belong to Tirumangalum Táluq.

2. The village is situated on the borders of the Strívilliputúr and Tirumangalum Táluqs, and its Police was always in the charge of the Tirumangalum Tahsíldár. Hence, I think, arose the supposition that it belonged to that Táluq.

3. The area and Beriz given for this village in the correspondence are also incorrect, as it was unfortunately mistaken for one of the two villages of the like name in the Tirumangalum Táluq, the areas of which were mentioned instead of those of the village in question.

4. When the villages of this District were made over to Tinnevelly, the mistaken Ammápatti of Tirumangalum was not transferred, but the right one belonging to the Táluq of Mádakulam, has been joined to the Strívilliputúr Táluq.

5. I beg, therefore, to show by the following abstract, how the transfer of the villages to the Tinnevelly District has actually affected the Táluqs of this District.
