No. 315. Read the following letter from C. PELLY, Esq., Member of the Board of Revenue, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated 7th March 1861, No. 778 :—

SIR,

In submitting for the orders of Government the accompanying letters from the Collector of Nellore, dated 2nd and 20th February respectively, I have the honor to state that in consequence of the introduction of the new Police into the new Gúdúru Táluq on 15th January 1861, the new scale of Establishment was generally introduced; but the Deputy Collector then conducting the Inám investigations in the Táluq having required for a time the services of both the Sarishtadárs named in the margin, who were acquainted with the details of the Táluqs, the Collector found it necessary to retain their services, instead of appointing one on the higher rate of pay, up to February 1861. This retention causes an increase of Rupees 15 per month over the sanctioned amount, and it is requested that instructions may be issued to the Civil Auditor to pass the salary bills of these servants up to the end of February.
