No. 325. Read the following Proceedings of the Board of Revenue, dated 7th March 1861, No. 1,281 :—

Read letter from the Collector of Coimbatore, dated 9th February 1861, No. 23, submitting Statement of irrecoverable balances due by the late renters of the Ábkári Farms of Karúr and Palladam in the Coimbatore District.

(In Cons. 14th February 1861, No. 921.)

1. The late renters of the Ábkári Farms of the Caroor and Palladam Táluqs in the Coimbatore District having failed in their engagements in Fasli 1266 (A. D. 1856-57), the Collector was instructed to re-sell the farms and to adopt the usual measures for recovering the arrears of rent due by the defaulters.

2. The farms on re-sale produced less than the original contracts by Rupees 6,634-10-4, and Rupees 7,687-0-0, respectively. This result was attributed to the unfavorable character of the season, and as the circumstances of the defaulting renters rendered even the entire realization of the arrears of rent due by them, doubtful, the remission of the loss by re-sale was recommended by the Board and sanctioned by Government in Extract Minutes Consultation in the Revenue Department, No. 1,207, dated 6th September 1858.

In Cons. 8th September 1858, *No.* 4,029.

3. The arrear against the Palladam contractor, after deducting Rupees 950, the amount of two Kists deposited as security with the Collector, was Rupees 1,609-9-2; of which Rs. 709-1-4 have been realized from some of the sub-renters who were indebted to the contractor and from the sale of the available property of the latter. The balance of Rs. 900-7-10, including interest, is wholly irrecoverable as the only remaining property belonging to the renter consists of certain Bhatwarty lands in the Salem District assessed at Rupees 10-10-8, and which according to existing rules cannot be sold for the personal liabilities of the Inámdár; and the other sub-renters from whom he had just expectations are either dead or in reduced circumstances, or have deserted their villages.

4. As regards the Karúr Farm, its late renter had also deposited two Kists amounting to Rupees 1,532 as security, which having been taken to account reduced his debt to Rupees 1,422-7-4. Of this sum Rupees 936-2-10 have been recovered from him and his sub-renters, leaving a balance of Rupees 486-4-6, including interest, outstanding and irrecoverable. All the property of any value belonging to the renter has been sold in satisfaction of his debt to Government, and the sub-renters who are still indebted to him, with one exception, possess no property. The excepted individual's property, as far as it was free from encumbrances, has been already held answerable.

5. The imprisonment of the defaulters would under the circumstances serve no good purpose, and the Board, therefore, support the Collector's recommendation that the balances against them amounting to Rupees 1,386-12-4* be remitted.

6. The Collector has already been instructed to be careful hereafter not to allow his renters to fall into arrears beyond the extent of their security.

From E. B. THOMAS, Esq., Collector of COIMBATORE,
dated 9th February 1861, No. 23.

With reference to the Board's Proceedings of the 27th July 1860, No. 3,453, I have the honor to report that under the authority therein conveyed, I proceeded against the Abkarry renter of Caroor and his sub-renter according to law, and such of their property as was found free from encumbrances was sold in public auction, which realized a sum of Rupees 936-2-10 as shown in the margin.

By the sale of the renter's property.	74	7	10
By do. of the sub-renter's do.	861	11	0
	936	2	10

2. The balance outstanding in the public accounts against the renter of Caroor, amounted to Rupees 1,214-11-10, as reported in my letter of 25th June 1860, No. 83. Interest which accrued on the balance was Rupees 207-11-6, making in all Rupees 1,422-7-4. Against this sum, the recoveries since made by the sale of the property of both the renter and sub-renter are Rupees 936-2-10 as shown above, leaving a balance of Rupees 486-4-6 irrecoverable, for the remission of which as well as of the irrecoverable balance outstanding against the late renter of Pulladom, amounting to Rupees 900-7-10, I request the Board of Revenue will be good enough to obtain the sanction of Government.

3. A Statement showing the particulars of the balance outstanding against the above renters, the amount since recovered by the sale of the property of the renter of Caroor, and the irrecoverable amount is herein enclosed.

Enc. 1.

Abstract.—Statement showing the balance of Abkarry revenue, due by the renters of Caroor and Pulladom taluqs, the amount since realized by the sale of their property and the net balance requiring remission.
