G.O. No.	713	Press / Mis.
Dated	December	1861.

Not to be folded or roughly handled

I, I. I. Rogers, Assistant Surgeon, Medical Officer Vellygherries, do hereby certify that E. B. Foord Esquire, of the Madras Civil Service, has not sufficiently recovered his health to enable him to return to his duty, and I solemnly and sincerely declare that, according to the best of my judgment, an extension of leave is essentially necessary to his recovery, and do therefore recommend that he may be permitted to remain on the Vellygherries until the 21st March 1862.-
