*Proceedings of the Madras Government, Revenue Department,
4th April 1861.*

No. 14. Read the following Proceedings of the Board of Revenue, dated 22nd March 1861,
No. 1,512 :—

Read the following letter from J. SILVER, Esq., Collector of Tinnevely, to J. D. SIM, Esq.
Secretary to the Board of Revenue, Fort Saint George, dated Tuticorin, 16th March
1861, No. 130.

SIR,

1. I have the honor to report for the information of the Board and Government, that the weather has continued very unfavorable for the Pearl Fishery. The wind has been blowing from the north-east, with occasional heavy bursts of rain, very much like what is seen at the breaking up of the monsoon.

2. We have only been able to have five days' fishing, but the amount realized to Government exceeds 34,000 Rupees. This is most satisfactory. All expenses, including the cost of building the guard boats, are covered, and the future proceeds will be a clear revenue to Government.

Submitted for the information of Government.

(A true Copy and Extract.)
