*Proceedings of the Madras Government, Revenue Department,
5th April 1861.*

No. 42. Read the following Proceedings of the Board of Revenue, dated 22nd March 1861, No. 1,510:—

Read again letter, dated 24th January 1861, No. 62, from the Collector of Vizagapatam.
(In Cons. 2nd February 1861, No. 680.)

Read also letter, dated 22nd February 1861, No. 147, from the same Officer.
(In Cons. 4th March 1861, No. 1,356.)

Resolved that the letters above recorded be submitted for the orders of the Honorable the Governor in Council.

1. In the first of the foregoing letters, the Collector reports that the building now occupied as the Huzúr Kacheri does not afford accommodation for his records, which have, therefore, been hitherto kept in a separate place, a mile distant from his Office. From a former letter, it also appears that the Treasury is in a detached building at some little distance from the Kacheri.

Vide Board's Proceedings, 19th September 1860, No. 4,286, paragraph 3.

2. To obviate the inconveniences experienced from these defective arrangements, an attempt was made to obtain a long lease of the present building, with the view of enlarging it at the expense of Government, but that having failed, the Collector now proposes to rent a larger building conveniently situated in the centre of the Town of Vizagapatam, and capable of affording accommodation for both the Treasury and the Records in addition to the present Establishment.

Board's Proceedings, 20th December 1860, No. 5,984.

Order of Government, No. 125, 18th, in Cons. 19th January 1861, No. 367.

3. As the rent of the proposed building (50 Rupees) will be more than covered by the savings arising from the abandonment of the present Kacheri, and the transfer of the Medical and Commissariat stores from the buildings now hired for them to the present Record room and Treasury of the Collector's Office (a measure to which the Major General Commanding the Division has given his approval), the Board recommend that the Collector's proposition may be sanctioned, and that he may be authorized to spend 400 Rupees in adapting the new building to the purposes of the Treasury, &c. All repairs to the building will be performed by the owner.

No. 622.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 4th February 1861.

Read the following letter from E. G. R. FANE, Esq., Collector of Vizagapatam, to W. HUDLESTON, Esq., Sub-Secretary to the Board of Revenue, Fort Saint George, dated 24th January 1861, No. 62 :—

1. Referring to my letter of the 16th November last, No. 1,204, I beg now to inform the Board, that I have succeeded in getting the refusal of two very commodious buildings contiguously situated in one compound in the centre of the Town of Vizagapatam, at a monthly rent of 50 Rupees, for my Huzur Cutcherry.

2. The building now occupied by the Cutcherry, and rented at 40 Rupees a month, does not afford accommodation for the records; these, therefore, are kept in a separate place a mile away from the Office or Treasury. The inconvenience arising therefrom has been always found very great, and, therefore, some place that would contain Cutcherry, Treasury and Records, has long been a great desideratum. The buildings now referred to are suited in every respect and will contain—

Collector's and Agent's Office.

Principal Assistant's do.

Deputy Collector in charge of Treasury.

Press, and the Records.

* Forwarded by Banghy. Enclosed is a plan* of the range of buildings, and I beg the Board will obtain the sanction of Government for a lease of these houses for ten years at 50 Rupees a month. The owner is willing to give even a longer lease, but I advise the shorter one being accepted from the 1st March next, with the option of renewal. I propose to put the Treasury on the extreme west of the building, and it will have the advantage of not only its own guard, but of that of the European Veteran Hospital within 20 yards of it.

3. The convenience to my Office servants will be very great, as the buildings now proposed are so central as to be within a walk of every man's house, whereas now in coming to Office several are obliged to hire or keep conveyances, which involves a greater monthly outlay than they can well afford. If the removal is sanctioned, I beg to be authorized to incur contingent charges to the amount of 400 Rupees, for removing the iron rails and windows from the present Treasury, and for putting them up in the new building, as well as to meet other incidental charges.

4. In conversation with the General Commanding the Division a few days ago, I mentioned that if my Office were removed, the old building now used as a native Record room, and the Treasury, which are both contiguous to the parade ground, would be available for any military uses he might think fit. He at once said that he had long wished to have the Record building for a Medical store, and save thereby the heavy rent the Government now pay for the house they keep the stores in. The present Treasury room might hereafter, in case another Native Infantry Regiment came, be converted into a place of arms; at any rate it would make a capital place of arms or main guard for the new Police when organized. I write thus about converting the old Record office into a Medical store, as thereby both a saving to Government of some 30 Rupees a month would be effected, and the General's wishes complied with.

The Collector is requested to state whether the landlord or Government is to make necessary repairs during the currency of the lease. He will also mention the rent now paid for the Medical Store-house.

IN CONS. 4TH MARCH 1861, No. 1,356.

From E. G. R. FANE, Esq., Collector of VIZAGAPATAM.

dated Bobilly, 22d February 1861, No. 147.

In reply to the Board's Proceedings of the 4th instant, No. 622, I have the honor to inform you that it is the landlord who is to make all necessary *repairs*, all additions that may be found necessary to render the house complete as a Cutcherry will devolve on Government. The rent now paid for the Medical store house is 30 Rupees per month as shown by Brigadier General Sir George Whitlock's letter herewith submitted.

2. There is no objection to make also over to the Military the treasury room referred to by the General.

ENC. 1.

FROM MAJOR GENL. SIR GEORGE WHITLOCK, K. C. B., Comg. N. Div., Walfair,

dated 19th February 1861, No. 62.

In reply to your letter, No. 121, dated 11th instant, I do myself the honor to inform you that the rent of the building hired for the Medical stores is Rupees 30 per month, which of course would be saved if the Cutcherry could be given over in its place, and I am of opinion it is well adapted for the purpose; and if the room used as a Treasury contiguous to the Native Infantry barracks was also given up for Military purposes, I think some stores belonging to the Commissariat department might be stowed away there, and the house at present rented in the Fort for the purpose, be discontinued, whereby an additional saving to the State of Rupees 10-8-0 per mensem would be effected.

2. The above arrangement is not only very desirable in point of economy, but it would lessen the number of guards, and the distance they have now to march.
