Proceedings of the Madras Government, Revenue Department, 5th April 1861.

No. 59. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 25th March 1861, No. 502 :—

SIR,

1. I have the honor to bring under consideration a reference made by Mr. Stuart, my Deputy in the Wainád, regarding a line of boundary skirting the Mysore and Coorg territories, which is required to be laid down in the Wainád Survey.

2. It appears that a Settlement was effected by Dr. Cleghorn, Conservator of Forests, of a dispute regarding the boundary between the Mysore and Government territories from the Rampúr ford to the Shegabulla tree; there remains now the line east and west of these two points to be marked, and the work has been stopped for the present in consequence of a dispute as to the boundary.

3. I have therefore to request that the Governments of Mysore and Coorg may be moved to depute some Revenue or other Officers to meet my Deputy on the spot, at such time as may be named by him as most convenient for the duty, with the view to the adjustment of the dispute, and to facilitate the demarcation of the boundary generally along this line.

4. The public Officers in Mysore and Coorg have facilities for furnishing granite pillars to mark the line (which runs through valuable forests), such as are not possessed by my Deputy, and I would suggest that instructions may be solicited for them to render their aid in this, and that the cost of the boundary marks may be divided between this Government and that to which the territory adjoining belongs.

Ordered that the following letter be despatched.

No. 60. From J. D. BOURDILLON, Esq., Secretary to the Government of Fort Saint George, to the Commissioner for the Government of the Territories of His Highness the Raja of Mysore, dated 5th April 1861, No. 753.

SIR,

Dated 25th March 1861, *No.* 502.

1. With reference to the accompanying copy of a letter from the Director of Revenue Settlement and to the former correspondence, specified in the margin,* respecting the boundary between Mysore and Wainád in Malabar, I am directed to request that you will have the goodness to depute a competent Officer to meet Mr. Deputy Director Stuart as proposed by Mr. Newill in the third paragraph of his letter, for the purpose of determining the boundary east and west of the Rampúr ford and the Shegabulla tree.

2. I am also to request that you will cause instructions to be issued for the supply of the number of granite pillars which may be required to mark the boundary, the cost to be equally divided between Mysore and Madras.
