Proceedings of the Madras Government, Revenue Department, 8th April 1861.

No. 110. Read the following letter from C. PELLY, Esq., Member of the Board of Revenue, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 20th March 1861, No. 794:—

SIR,

1. With reference to the Orders of Government, dated 27th February 1861, No. 461, requesting me to report succinctly the grounds of the transfer of villages from one District to another, a list of which I submitted with my letter of the 16th idem for notification in the Official Gazette, and to state at the same time whether the decision in each case has been concurred in by the Collectors, I have the honor to report that the transfers therein alluded to, have been one and all approved by Government in their various orders on the re-arrangement of the Táluqs of the several Districts.

2. The first of these on the list above alluded to, is the interchange of villages between Cuddapah and Bellary. In paragraph 14 of my letter to Government, dated 30th November 1859, No. 105, I proposed the transfer of the south-eastern corner of the Tadapatry Táluq of Bellary to Cuddapah, as already suggested by Government in Extract from the Minutes of Consultation, dated 30th August 1859, No. 1,164, and in paragraph 16 of the same letter I referred to the mutual interchange of villages between the two Districts, and marked out on the map the changes I had proposed. These alterations were approved by Government in paragraph 4 of their Orders of the 21st December 1859, and with reference to it I arranged with the Collectors of the two Districts as to the particular villages to be interchanged.

3. The next is the transfer of ten villages from Adony of the Bellary Collectorate to Ravellacotah in Kurnool; and in my report on the re-arrangement of the latter District I alluded to this transfer, the expediency of which had been pointed out by Government in their Proceedings of 30th August 1859, No. 1,164. The transfer has been fully carried out in communication with the Collectors, and the sanction of Government for it was implied in their Order of 25th January 1860, No. 124.

To Government, dated 29th December 1859, No. 144, paragraph 5.

4. In paragraph 4 of my letter to Government, dated 27th March 1860, I proposed to form into a New Táluq in Nellore the detached villages of Dúpad which belonged to Kurnool, their transfer having been ordered by Government in Extract from the Minutes of Consultation, dated 10th May 1856. This suggestion was approved by Government in their Proceedings, dated 2nd June 1860, No. 913, paragraph 5.

5. In my report on the re-arrangement of the Táluqs of South Arcot, I proposed the transfer of the northern portion of Chetput including the town of the same name to North Arcot, and proposed to distribute it between the Táluqs of Polúr and Wandiwash. These arrangements have also received the sanction of Government in their Orders on the re-arrangement of the Táluqs of the two Districts.

3rd December 1859, No. 108.
To Government, 20th December 1859, No. 131.
Orders of Government, dated 21st December 1859, and 5th January 1861, Nos. 173 and 31.

6. It is with reference to these several Orders that I obtained correct lists of villages from the Collectors concerned, and submitted them to Government for publication in the Gazette, as promised in paragraph 5 of my letter to Government, dated 25th September 1860, No. 558.

No. 111. ORDER THEREON, 8th April 1861, No. 778.

Under the explanation afforded in this letter, the Governor in Council directs that the list of villages transferred from one District to another in the course of the adjustment of Táluq boundaries submitted with Mr. Pelly's letter, dated 16th February 1861, No. 748, be published in the "Fort Saint George Gazette" for general information.
