*Proceedings of the Madras Government, Revenue Department,
20th April 1861.*

No. 362. Read the following letter from J. D. SIM, Esq., Secretary to the Board of Revenue, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated Chepauk, 27th March 1861, No. 1,616 :—

SIR,

I am directed to acknowledge the receipt of the Order of Government, dated 13th instant, No. 585, Revenue Department, and to state that the Board see no reason why the rule laid down in Government Order, 8th instant, No. 309, Judicial Department, should not be extended to the Revenue Department.

No. 363. ORDER THEREON, 20th April 1861, No. 903.

1. Resolved accordingly that the Order in the Judicial Department, dated March 8th 1861, No. 309, be extended to the Revenue Department, but with the modification that, as it would be improper that the same Officer should both sanction the refund and disburse the money, the authority to order the refund shall be the Board of Revenue.

2. The rule in the Revenue Department will therefore be that sums erroneously received on behalf of Government, and carried to account, may be refunded under an Order of the Board of Revenue.

3. Refunds under this Order will be restricted as in the Judicial Department, to two years from the date when the money was carried to account.

4. The Board will submit a statement, punctually at the end of each quarter, showing the refunds sanctioned by them under this Order during the quarter.

(Signed) J. D. BOURDILLON,

Secretary to Government.

Rev. Dept

No 903

Proceedings of the Madras Government
(Under date the 20th April 1864)

Read the following letter
from the Secretary to the Rev.
of Revenue.

acknowledging the receipt of
the order of Govt. dated 13th ultimo
No 585 Rev. Dept. and stating that
the Board see no reason why the
Rule laid down in Govt. Order
of 11th March 1864 Judicial Depart-
ment should not be extended to
the Rev. Dept.

(Here enter 27th March 1864 No 1064)

Resolved accordingly

I have great doubt as to
the propriety of the course
here proposed to be taken
there is great difference
between the position of a
Judge who receives money
temporarily either as fine
or penalties versus those

that the order in the J. O. of
dated March 8th 1864 No 309, be
extended to the Revenue de-
partment, but with the
modification that, as it
would be improper that the
same officer should both
sanction the refund and
disburse the money, the
authority to order the re-
fund shall be the Board
of Revenue.

Eventually who has by law
power to do, and a Collector
whose business it is to deal

with the Revenue of Govt.
and who has neither power
nor right to return any
portion of it - at all events
if this rule is to hold good
the Revenue Board should
be called upon to make a special
Report monthly or perhaps
in which it has exercised its power

The rule in the Revenue
Department will therefore
be applied to the cases erroneously
received

received on behalf of Government,
but carried to Account, may
be refunded under an order
of the Board of Revenue. It is
provided that if the money had
not been carried to Account
it might be ~~have~~ refunded
by the Collector.

Refunds under this
order will be restricted as
in the Judicial Department
to two years from the date
when the money was carried
to Account.

The Board will
submit a Statement, punctually
at the end of each Quarter, shewing
the refunds sanctioned by them
under this order during the
Quarter.
