Proceedings of the Madras Government, Revenue Department, 23rd April 1861.

No. 386. Read the following Proceedings of the Board of Revenue, dated 10th April 1861, No. 1,867:—

Read the following letter from W. E. COCHRANE, Esq., Collector of Sea Customs, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Madras, 27th March 1861, No. 136.

SIR,

1. In reference to the Proceedings of the Board of Revenue, dated 12th instant, No. 1,359, and the Order of Government thereon, sanctioning the publication of a work, entitled "The Sea Customs House Guide," I have the honor to request you will be good enough to inform me whether Government will undertake the printing of the same, and if copies are sold, by whom the proceeds are to be appropriated. I respectfully suggest that 200 copies be printed; that half the proceeds be carried to Government account, and the other half be made over to Mr. Fox, the Head Manager of this Office, on whom chiefly devolved the labor of compiling the work. I also suggest that Rupees (3-8-0) three, and Annas eight, be the price of a copy of the work.

---

1. The Board believe it to be the intention of Government to have the Customs Manual printed on their account, and 200 copies seems a sufficient but not excessive number. As regards remuneration to the Collector's Manager for preparing the Manual, the Board have no doubt that Government will entertain a reasonable application when the work is satisfactorily completed, and some judgment can be formed of the extra labor involved in its preparation.

2. Meanwhile the Board request the sanction of Government for an edition of 200 copies; the printing to be given out on contract, if it cannot be undertaken by the Superintendent of the Gazette Press.

(A true Copy and Extract.)

No. 387. ORDER THEREON, 23rd April 1861, No. 915.

1. Sanction is granted for printing 200 copies of the "Sea Customs House Guide" at Government cost.

2. The Government will not object to make a pecuniary acknowledgment of Mr. Fox's labors in compiling the Manual; but they are of opinion that this will be better in the form of a sum of money, than in that of a share in the proceeds of the book. The Board will report as to the merits of the Manual, and will state what sum will be a suitable acknowledgment.

3. The Board will take the opinion of the Superintendent of the Government Press in regard to the price at which the Manual should be sold.

Secretary to Government.
