*Proceedings of the Madras Government, Revenue Department,
14th January 1861.*

No. 191. Read the following Proceedings of the Board of Revenue, dated 27th November 1860, No. 5,499 :—

Read the following letter from J. I. MINCHIN, Esq., Acting Collector of Kurnool, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated 15th November No. 182.

SIR,

1. I have the honor to bring to the notice of the Board that 1st Class Deputy Collector Mr. Jellicoe, at present in charge of the Head Assistant's Office in this District, has been compelled to visit Kurnool for the sake of Medical advice, and the Civil Surgeon considers that the state of his eyes requires him to cease work temporarily, and leave the District on sick certificate. His application for leave will be forwarded hereafter.

2. The Board are aware that Mr. Arbuthnot has not yet passed his first examination, and will probably have to proceed to Bellary to go through it in the course of next month. His services, therefore, are not at present available for the Head Assistant's charge.

3. The Deputy Collector Shama Ráu, who has charge of the Tálucs of Koilkuntla and Sirwelle is not an efficient Officer, and is quite unfit to be entrusted with a more extensive charge.

4. The Deputy Collector Timmappa, performs his duties much to my satisfaction, but as he is in charge of the Treasury, and has ample work in the Cusbah station, I could not place any of the Head Assistant's work on his hands.

5. I beg, therefore, that the Board, in the absence of any other available Officer, will sanction my placing Deputy Collector Ragunáda Ráu in charge of the Head Assistant's Kacheri, in addition to his own special work. The latter has hitherto afforded him no proper occupation, and can under no circumstances fully occupy his time. He has himself expressed his perfect readiness to undertake in addition the charge of the Head Assistant's Office.

6. This arrangement would necessitate the work of the Head Assistant's Tálucs being carried on in another part of the District, where Ragunáda Ráu is employed in making over land to the Irrigation Company, but until some Officer is appointed to the office, such must at present be the case.

7. It would be superfluous for me to remark on the known efficiency of Deputy Collector Ragunáda Ráu, in whose hands I am certain the Tálucs attached to the Head Assistant's charge will be well looked after.

1. Ordered to be submitted to Government, with the Board's recommendation that the arrangement proposed by the Acting Collector be adopted as the best that can be made.

2. The Board would draw attention to the opinion expressed of the incompetency of Deputy Collector Shama Ráu, formerly Head Sarishtadár of Chingleput, for his present post.
(A true Copy and Extract.)

(Signed) W. HUDLESTON, *Acting Secretary.*

No. 192. ORDER THEREON, 14th January 1861, No. 97.

1. The Governor in Council does not object to the Acting Collector availing himself generally of Ragunáda Ráu's services, but the position of the Head Assistant's Tálucs renders it impossible for Ragunáda Ráu to have charge of them, consistently with his other duties. In the event of Mr. Arbuthnot not having qualified himself at the last examination other arrangements will be made.

2. Ragunáda Ráu's services are required in North Arcot as well as Kurnool and himself detention in the latter District for general duty is therefore undesirable.

(Signed) J. D. BOURDILLON,

Secretary to Government.
