MILITARY DEPARAMENT.

No. 24.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

7th January 1862.

Read the following :—

Extract from a Military Despatch from the Right Honorable the Secretary of State for India, India Office, London, dated 9th November 1861, *No.* 174.

Letter dated 20th June 1861, *No.* 173.

4. The construction of temporary buildings for the accommodation of a European Regiment at Waltair, is estimated to cost Rupees 308,630, but probably, your Chief Engineer observes, one and quarter Lacs more will be required.

5. The Government of India consider that the expense cannot now be met.

6. I do not think the demand for a Regiment at Waltair sufficiently urgent to call for so large an expenditure, at the present time, upon buildings of a temporary character.

Communicated to the Commander-in-Chief, (Adjutant General's and Quarter Master General's Departments), Department of Public Works and Controller of Military Finance, with reference to Proceedings of Government 30th April 1861, No. 1535.
