I have the honor to forward for the orders of the Provincial Commander-in-Chief, the accompanying letter and enclosures from Captain E. R. Blagrave, District Engineer of Vizagapatam, at present on Sick Certificate to Europe, requesting to be allowed, under the Staff Furlough Regulations,* five months' leave on Medical Certificate, in extension of the fifteen months granted to him in the Fort Saint George Gazette of the 28th December 1860, page 1231.

One original letter from Captain Blagrave, with Medical Certificate and letter to the Secretary to Government in the Military Department.

**Vide Fort Saint George Gazette of the* 15*th October* 1861, *page* 522.

2. Heretofore Officers of this Department absent on leave in England, have obtained extension of leave on Sick Certificate from the Home Authorities, but I am now informed by Captain Blagrave that the additional leave which he has applied for must be granted by the Authorities in India, and I have therefore to recommend that the extension he has solicited, *viz.*, from the 27th March to the 27th August 1862, may be sanctioned.

From Captain E. R. Blagrave, Madras Engineers, 14, *Saint James' Square, London,* 15*th November* 1861; *to the Chief Engineer, D. P. W., Madras.*

In forwarding the accompanying Medical Certificate, I have the honor (with reference to the new Staff Furlough Regulations, permitting Officers on sick leave to retain their appointments for twenty months) to request that you will forward my application for an extension of leave from fifteen to twenty months, to His Excellency the Governor.

Viz., from March 27th to August 27th, 1862.

From Captain E. R. Blagrave, Madras Engineers, 14, *Saint James' Square, London,* 15*th November* 1861; *to the Secretary to Government, Military Department, Fort Saint George.*

I have the honor to forward the enclosed Medical Certificate, and to request the indulgence of an extension of leave on Medical Certificate, from fifteen to twenty months, with retention of my appointment, agreeably to the new Staff Furlough Regulations.

From March 27th to August 27th, 1862.

From J. R. Martin, Esq., 24, Mount Street, Grosvenor Square, W., 15th November 1861; *to the Military Secretary, India Office, London, S. W.*

I hereby certify that I have carefully examined Captain E. R. Blagrave, of the Madras Engineers, now suffering from chronic inflammation of the wind-pipe, and I declare that, according to the best of my judgment and belief, Captain Blagrave is at present unfit for Military duty, and that it is absolutely necessary for the recovery of his health that he should remain at least five months longer in this country.
