Proceedings of the Madras Government, Public Works Department, 20th Jannary 1862.

No. 64. Read the following Proceedings of the Madras Government in the Public Department, dated 16th January 1862, No. 72 :—

Sanctioning the estimate for removing the Cheeta and Tiger cages from the Government Museum, for re-constructing them at the People's Park and for building a shed over them. } (Vide Public Proceedings, 16th January 1862, No. 78-79.)

No. 65. ORDER THEREON, 20th January 1862, No. 34.

Communicated to the Deputy Chief Engineer Central Circle, for information and guidance.

PUBLIC DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Lieutenant Colonel W. H. HORSLEY, Chief Engineer, D. P. W.; to J. D. SIM, Esq., Secretary to Government, P. W. D., Fort Saint George, dated Chepauk, 21st December 1861, No. 8,649.

With reference to the Proceedings of Government No. 1,870, dated 8th October 1861, I have the honor to forward the accompanying Plan and Estimate Rupees 1,660 (as corrected in this Office) received in a letter as per margin from the District Engineer Presidency for removing the Cheeta and Tiger cages from the Government Museum, for reconstructing them at the People's Park, and for building a shed over them.

Enclosures 4.
1 Letter from the District Engineer, Presidency, No. 1,475, dated 8th November 1861.
1 Plan.
1 Estimate.
1 Specification Report.

2. The only remark that occurs to me as necessary to make in submitting this Estimate, Rupees 1,660, is that there are certain items in it which appear to be very high, such, for instance, as:

Dismantling one cage..... Rupees 67 8 0
Reconstructing do. ..... ,, 150 0 0

but the work being of an unusual character, the cage being, it is understood, fixed to masonry built under ground, it is not very easy to determine what the cost is likely to be.

3. The District Engineer will however be instructed to watch the execution of this work carefully, and to see that every thing be done as economically as possible.

4. With this remark I beg to solicit the sanction of Government for the amount Rupees (1,660) one thousand six hundred and sixty, to be defrayed out of the general funds at the disposal of the District Engineer, Presidency, for the current year.

Transferred to the Public Department.

(Signed) J. D. SIM,
Secretary to Government.

23rd December 1861.

ORDER THEREON, 16th January 1862, No. 72.

The Government sanction the work referred to at the estimated cost of Rupees (1,660) one thousand six hundred and sixty, to be defrayed, as proposed, from the general funds at the disposal of the District Engineer, Presidency, for the current year.
