EDUCATIONAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Major W. H. WAPSHARE, Secretary to the Committee of Management, Ootacamund Lawrence Asylum; to the Chief Secretary to Government, Fort Saint George, dated 9th January 1862, No. 38-2.

I have the honor by desire of the Committee of Management of the Ootacamund Lawrence Asylum, to beg that you will lay the following circumstances before the Government.

The building now occupied by the Male branch and which has been so occupied for the past two years is in a very bad state of repair, the roofs of the Dormitories leak considerably and several other repairs absolutely and emergently require to be made before the South West Monsoon sets in, indeed it is doubtful whether it would be *safe* to delay them.

These repairs are estimated at, at least, Rupees (1,000) one thousand.

This sum is not available to the Committee, their income scarce covering their current expenditure.

The Committee request therefore to be permitted to sell out Rupees (1,000) one thousand from their funds now in Government Securities, unless any other means for repairing the building should suggest itself to the Government.

ORDER THEREON, 17th January 1862, No. 14.

Resolved that an early report be called for through the Department Public Works on the repairs alluded to in this letter with estimate of the cost.
