PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Endorsement of the Chief Engineer, dated Chepauk, 10th January 1862, No. 9,225 :—

Read the following letter from Captain G. W. WALKER, District Engineer, North Canara, to the Deputy Chief Engineer, Central Circle, dated Camp Sedasheghur, 26th December 1861, No. 167.

SIR,

I have the honor, on behalf of Mr. Boesinger, to represent that the Civil Auditor has only passed him the salary of a Sub-Engineer of the 3rd Class for the month of November, in spite of his having quoted in his salary Bill the No. and date of the Government Order promoting him to the 1st Class. As I duly reported to the Central Office his having taken charge of the Beitkal works from Mr. Merrall on 28th October, the only obstacle that occurs to us to be in the way, is the omission to publish the promotion in the "Government Gazette." Anyhow the interference of the Chief Engineer seems necessary before the full salary of his appointment can be drawn by Mr. Boesinger.

Original letter No. 167, dated 26th December 1861.

1. Submitted for the information of Government, with a request that under the circumstances represented by Captain Walker, and with reference to Proceedings of Madras Government, No. 2,030, dated 4th November 1861, a Treasury order may be granted for a sum of Rupees 300, the aggregate of the difference between the salary of a 1st and 3rd class Sub-Engineer due to Mr. Boesinger for the months of November and December 1861.

2. As the appointment of Sub-Engineers rests with Government it would perhaps be desirable that Mr. Boesinger's promotion from the 3rd to the 1st class should be notified in the "Fort Saint George Gazette."

Chief Engineer, D. P. W.

ORDER THEREON, 21st January 1862, No. 40.

1. The Accountant General will issue the necessary instructions to the Collector of North Canara, with reference to the Order of Government, dated 4th November 1861, No. 2,030. The Chief Engineer, it is observed, has reported in his letter, dated 10th August 1861, No. 3,776, that the Budget allotment of 17 lacs for salaries, &c., will not be exceeded.

2. Mr. Boesinger will be gazetted as recommended.

I have the honor, on behalf of Mr: Borsinger, to represent that the Civil Auditor has only passed him the Salary of a Sub Engineer of the 3rd Class for the month of November, in spite of his having drawn the Salary of the Government Order promoting him to the 1st Class. Can you show the interference of the Chief Engineer seems necessary before the full Salary of his Appointment can be drawn by Mr: Borsinger.
