1. In reply to paragraph 2 of Extract Minutes Consultation, No. 4,529 of the 11th ultimo, (received with your No. 8,922 of the 24th idem), I have the honor to refer you to the two demi-official letters to my address from Colonel Arbuthnot, which were sent to you with my No. 57 of the 6th July 1861 (requesting permission to withdraw my estimate of Rupees 1,670, for a new Gram Boiling Shed with boilers on the plan of Duff's Cooking Range), and to state that the Acting Agent for Remounts (to whose letters I have just referred) was unwilling that any expense not actually of an emergent nature should be incurred until the reductions recently ordered in the mounted strength of the Army had all been carried out, and certain information had been obtained as to the future of the remaining native Regular Cavalry Corps.
