Central Office of Public Works,
Chepauk, 16th October 1861.

No. 103. From Lieutenant-Colonel A. J. M. BOILEAU, Deputy Chief Engineer, Central Circle, to Lieutenant-Colonel W. H. HORSLEY, Chief Engineer and Secretary to Government, Public Works Department, dated Chepauk, 16th January 1862, No. 9,446.

SIR,

1. With reference to the Proceedings of Government, dated 19th October 1861, No. 1,923, I have the honor to submit herewith the accompanying Memorandum showing the cost of Establishment according to Ranges and the expenditure on Public Works in the District of South Canara during 1860-61.

2. As the whole of the materials for preparing the above document were not obtainable from the records of this Office, I had to call on the District Engineer to furnish the information, which accounts for the delay that has taken place in complying with the requisition of Government in this instance.

Memorandum showing the cost of Establishment and Expenditure on Public Works in the South Canara District, during the year 1860-61.

(Signed) A. J. M. BOILEAU, Lieut.-Colonel,
Deputy Chief Engineer, Central Circle.

Central Office of Public Works,
Chepauk, 16th January 1862.

No. 104. ORDER THEREON, 23rd January 1862, No. 53.

1. In their Proceedings No. 1,923, dated 19th October 1861, the Government called upon the Chief Engineer for a detailed statement of the South Canara Establishment according to Ranges, with the expenditure on Public Works in each.

2. The Memorandum furnished with the letter from the Deputy Chief Engineer, Central Circle, No. 9,446, dated 16th January 1862, while supplying, as required, the information regarding the outlay on account of Establishments, gives in the aggregate only, the expenditure incurred on Public Works. The Government request that a revised Statement prepared in accordance with their Proceedings mentioned above, may be submitted as early as possible.

3. On comparing the Statement enclosed in Lieutenant-Colonel Boileau's letter No. 9,446, dated 16th January 1862, with that forwarded with the Chief Engineer's Memorandum No. 5,967, dated 16th October 1861, it is observed that the expenditure on Establishments in the South

Canara District during 1860-61 is given at Rupees 23,651 in the former, and at Rupees 23,671 in the latter. There are also differences in the sums entered in the two Statements as the expenditure incurred on account of Office Establishments and Lower Subordinates. The Government request that these discrepancies may be explained on the submission of the revised Statement now called for.

(Signed) W. H. HORSLEY, Lieut.-Colonel,
Chief Engr. and Secy. to Govt., D.P.W.
