Proceedings of the Madras Government, Public Works Department, 27th January 1862.

No. 121. Read the following letter from A. HATHAWAY, Esq., Collector of Bellary, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Kamalapoor, 14th January 1862, No. 2 :—

SIR,

1. I have the honor to bring to your notice, that it is highly necessary for sanatory purposes, to take speedy measures for cleaning a well (the property of Government) in the vicinity of the Collector's Kacheri in Bellary ; the effluvium from its stagnant water being highly prejudicial to the health of the community.

2. An application for a similar purpose was made by me in September 1860, which met with the approval of Government, as contained in their Order, No. 1,276, dated 3rd October 1860.

3. As the cost of cleaning this well will probably be Rupees 20, I have the honor to request you will be good enough to obtain the sanction of Government for the disbursement of that sum, to enable the Civil Auditor to pass the amount.

No. 122. ORDER THEREON, 27th January 1862, No. 62.

Communicated to the Deputy Chief Engineer, Central Circle, who is requested to instruct the District Engineer Bellary, to issue the necessary orders for the cleaning of the well referred to, the cost to be defrayed from the Repair Fund of the District for the current year.
