Public Works DEPARTMENT.

G.O. No. 70 Press / Mis.

Dated 29-1- 1862.

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department, 29th January 1862.

No. 137. Read the following Endorsement of the Chief Engineer, dated Chepauk, 22nd January 1862, No. 9,686.

Read the following letter from Captain W. C. PALMER, Acting District Engineer Trichinopoly, to the Deputy Chief Engineer, Southern Circle, dated Trichinopoly, 23rd December 1861, No. 1,439 :—

SIR,

From District Engineer, No. 1,038 of 15th October.
No. 1,187, of 12th November.
From Deputy Chief Engineer, No. 6,842, of 4th November.

1. In reply to Miscellaneous Circular No. XXXVI of the 21st October and with reference to the correspondence noted in the margin, I have the honor to report to you—

2. That of the sums already sanctioned for expenditure in the District, the following will not be required and may be devoted to other works :—

Budget No.		Rs.
124	Weyacondan Channel...	5,500
21	Hospital at Pútúr	2,390
83	Overseer's Shed...	500
		8,390

3. Against this sum should be set the amount of sanctioned estimates for which no sums have been allotted.

	Rs.
Balance of incomplete works at the end of last year, *vide* paragraph 1 of Deputy Chief Engineer's letter No. 6,842 of 4th November 1861...	652
Balance of the estimate on Rupees 22,300, Salem road, sanctioned in Budget No. 167, Estimate Rupees... ... 22,300	
Expenditure in 1860-61... ... 4,670	
Allotment for 1861-62... ... ... 16,300——20,970	1,330
Maintenance of Carur Road sanctioned in Government Order, No. 1,867 of 8th October...	1,820
Total... ...	3,802
For the expenditure of this sum I request speedy sanction, and if it be deducted from the amount in the previous paragraph... ...	8,390
There remains a sum of...	4,588

available for other works, and I urgently request that I may be allowed to expend this sum in irrigation repairs, the allotment for which was insufficient for the purpose and is now nearly expended. The necessity for a further sum for irrigation works was shown in my letters marginally noted, and in paragraph 4 of letter No. 6,842 of the 4th ultimo, I was informed it would be taken into consideration.

No. 789, dated 11th September 1861.
No. 1,038, dated 17th October 1861, paragraphs 14 and 15.
No. 1,247, 26th November 1861.

4. On reference to the Collector I find that the sum sanctioned for the Iyar Bridge, Rupees 7,885 has been placed at my disposal, but I have to remark that Funds will be required for—

Government Order, No. 2,260 of 9th December 1861.
Chief Engineer's Proceedings, No. 8,222 of 11th December 1861.

	Rs.
The Codamurthy Bridge, the collection of materials for which was sanctioned in Proceedings No. 7,797 of 30th November 1861..... ...	8,229
And the sum set apart for three Roads in Proceedings, No. 7,684 of 27th November, and Telegram of the 20th instant... ...	20,000
Total... ...	28,229

Proceedings of the Madras Government, Public Works Department,
29th January 1862.

1. Submitted to Government with a recommendation that the arrangement of the District Engineer's allotment for the current year, as proposed in paragraph 3 of his letter, be sanctioned, and that permission be granted for his laying out the sum of Rupees 4,588, expected to be saved by new works deferred, upon the special repairs to the damages caused by the heavy rains in the Woodiarpalium Táluq, reported in the District Engineer's letter of the 19th November 1861, No. 1,247, submitted to Government with the Endorsement thereon, dated 26th November 1861, No. 7,638.

1 Letter from District Engineer, Trichinopoly, No. 1,439, dated 23rd December 1861.

See also Report to Government, No. 8,824, dated 24th December 1861.

2. For the Codamurthy Bridge additional funds are applied for by the District Engineer, the transfer of which the Chief Engineer will consider immediately on receipt of the Report which the Deputy Chief Engineer, Southern Circle, has been called upon to make, with reference to the Proceedings Madras Government, 31st December 1861, No. 2,446. In the meanwhile the District Engineer will be informed that the collection of materials, if proceeded with, should be met from the general funds of the District.

(Signed) W. H. HORSLEY, Lieut.-Colonel,
Chief Engineer.

No. 138. ORDER THEREON, 29th January 1862, No. 70.

The Government sanction the arrangement of the Trichinopoly District allotment for the current year, as proposed by the Chief Engineer in paragraph 1 of his letter.

2. The grant of additional funds for the Codamurthy Bridge will be considered on the receipt of the report which the Deputy Chief Engineer, Southern Circle, has been called upon to submit with reference to the Proceedings of Government, No. 2,446, dated 31st December 1861.
