From W. J. RAYNOR, Esq., Officiating Civil Paymaster, to Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, dated 7th January 1862, No. 2.

SIR,

1. In reply to your letter, No. 6,805, under date 2nd November last, I have the honor to state that, on inquiry, the Collector of Godavery in a letter, No. 35, dated 29th November 1861, has reported that a sum of Rupees 30 monthly was regularly recovered by him from the salary of Mr. Overseer Evans for the period from August 1855 to October 1859, both inclusive, in adjustment of the family payment made in England on his account. The aggregate recoveries amounting to Rupees 1,530.

2. The Collector of Coimbatore has also reported that subsequent to October 1859, Rupees 490 have been, at various times, recovered on the same account from the salary of Mr. Evans, leaving a balance of Rupees 260 due by him for the period up to November last inclusive, which amount, in addition to Rupees 30 for last month, will be recovered in full on passing his salary bills for November and December 1861.

3. The omission on the part of the office of the Collector of Coimbatore in not deducting monthly the sum of Rupees 30 arose, he states, from his not being advised by the Collector of Godavery to continue the deduction monthly when he was ordered to make it for November 1859, and thus also he did not advise the Collector of Madura to make the deduction when Mr. Evans was transferred to that District.
