SIR,

With reference to the Order of Government, No. 2,062, dated 8th ultimo, communicated with Extract Proceedings No. 7,105, dated 12th idem, I have the honor to forward copy of a letter from the Superintendent of Government Workshop, No. 450, dated 22nd November 1861, regarding the articles omitted in the estimate for completing the steamer "Prince."

From F. L. MONCRIEFF, Esq., Superintendent Government Workshop Dowlaishwaram, to Major J. F. STODDARD, Acting District Engineer, Godavery, dated Dowlaishwaram, 22nd November 1861, No. 450.

SIR,

With reference to your letter No. 991, of the 21st instant, I have the honor to inform you that as a large number of deck screws were remaining in Store after completing the various Dredges, Steamers and Harbour Punts lately constructed here, I thought it highly desirable to complete the steamer " Prince" by using these articles as I had enough for this purpose. I did not include them in my estimate of articles absolutely necessary to finish the steamer " Prince."

(Signed) J. F. STODDARD, Major,
Acting District Engineer, Godavery.

Telegram from Captain STODDARD, to Colonel BOILEAU, dated Dowlaishwaram, 24th December 1861.

The articles excluded from estimate may be dispensed with. 10-26.
