REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Board of Revenue, dated 4th December 1861, No. 6,717.

Read again the following letters :—

From the Collector of Malabar, dated 24th January 1861, No. 23.

(In Cons. 4th February 1861, No. 718.)

From do. do. 8th March 1861, No. 61.

(In Cons. 16th March 1861, No. 1,659.)

Read also the following letter from the same Officer, dated 7th June 1861, No. 120.

(In Cons. 15th June 1861, No. 3,649.)

1. Resolved that the letters above recorded be submitted for the orders of Government.

2. In the foregoing correspondence the Collector of Malabar submits an application for the retention, at the Sholakul Bungalow at the foot of the Sisparah ghát, of the two Peons heretofore allowed to it from the Public Works Department, for the purpose of aiding travellers; the cause of the application being the objection raised by the Chief Engineer to the wages of the Peons being debited to the Public Works Department instead of to the Revenue Department.

3. The Board admit the force of the above objection, but as it appears that the establishment of Peons allowed to the Wallawanaud Táluq under the revised scale, will not allow of any of them being detached to Sholakul without serious inconvenience to the public service, and as the Sisparah route will probably fall into disuse when the Beypoor Railway is opened as far as Coimbatore, which may shortly be expected, they recommend that the existing arrangement with regard to the Peons be continued till this is the case, when the subject may be again considered.

(A true Extract.)

(Signed) W. HUDLESTON, *Secretary.*

ORDER THEREON, 7th January 1862, No. 18.

1. The Government are of opinion that the wages of the two Peons kept up at the Sholakul Bungalow should not be charged to the Public Works Department. It appears that these Peons do not reside at Sholakul, but only go there to open the Bungalow when they receive notice of coming travellers. The route is specially unhealthy, and according to the Bungalow book only 27 halted at the Bungalow during 1860, or about two in the month; and the practice is for these travellers to stay a few hours and proceed on their journey in order to avoid fever. Duty at the Bungalow is, therefore, very rare, and on the completion of the Railway to Coimbatore will altogether cease. The Government cannot, therefore, see why two Peons should be specially maintained for this rare service, nor why a Peon could not be spared from the Táluq Establishment to wait on the occasional traveller, his regular duty being discharged by a substitute, or why the Bungalow may not be left in the custody of the nearest village Establishment.

2. Pending further information on these points, present arrangements may continue undisturbed.

From the Right Honorable the Secretary of State for India, India Office, London, 24th October 1861, *No.* 162; *to His Excellency the Right Honorable the Governor General of India in Council.*

JUDICIAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read again Proceedings 18th December 1861, No. 1,559.

Read also the following letter from A. J. ARBUTHNOT, Esq., Director of Public Instruction; to the Chief Secretary to Government, Fort Saint George, dated Coonoor, 21st December 1861, No. 2,283.

I have the honor to acknowledge the receipt of the Proceedings of Government in the Jndicial Department, under date the 18th instant, No. 1,559, referring to me the proposal made by the Civil Judge of Madura, that the building lately erected as a Court House for the District Moonsiff of Dindigul should be made over to my Department for the use of the Taluq school at that station. Some weeks ago the Judges of the Sudder Court communicated with me on the subject of Mr. Cotton's proposal, but after conferring on the subject with Colonel Pears, I came to the conclusion that the Moonsiff's Court House was not by any means well adapted for the school, and I informed the Judges to that effect.

ORDER THEREON, 8th January 1862, No. 21.

The Collector of Madura will advise the Government as to the use to which the new building, which was intended for the District Moonsiff's Court at Dindigul, can now be put, or otherwise as to its final disposal.
