Proceedings of the Madras Government, Public Works Department, 3rd February 1862.

No. 18. Read the following Endorsement of Lieutenant-Colonel J. OUCHTERLONY, Acting Deputy Chief Engineer, Northern Circle, dated Chepauk, 22nd January 1862, No. 9,695.

Read the following letter from Major SHAW STEWART, Acting District Engineer Vizagapatam, to the Deputy Chief Engineer, Northern Circle, dated Camp at Royewalsa, 8th January 1862, No. 1,136 :—

SIR,

Letter to Deputy Chief Engineer, No. 286 of 25th June 1861.
Extract Proceedings Chief Engineer, No. 2,522 of 11th July 1861.

Referring to the correspondence marginally quoted, I have the honor to inform you that I see no chance of my being able to procure the services of a passed Candidate in the room of temporary Sub-Overseer Kyrath Saib. For some months past I have advertised in the Fort Saint George Gazette, in the hope of getting passed Candidates to fill this and other similar appointments, but without effect. The Principal of the Civil Engineering College has also informed me that the young men at College who have passed the necessary examination will not accept a second Class Sub-Overseership.

2. The six months, for which Kyrath Saib's entertainment was sanctioned by you, will expire on the 10th instant. I am glad to say that I can report very favorably of him. His conduct has been uniformly good, and he has shown zeal and energy in the discharge of his duty. Captain Molony, under whom he has been serving, reports him to have been very useful. There is however no chance of his being able to pass the examination prescribed for the rank which he has been temporarily holding.

3. Under these circumstances, I beg that you will be so good as to obtain from Government the necessary authority for the continuance of Kyrath Sahib's services, until a passed Candidate can be found to fill the vacant berth.

4. I would have made an earlier application on the subject, but for some time past I have been seldom with my office, and the matter escaped my recollection.

Submitted to Government with a recommendation that the entertainment of Kyrath Saib, as an Acting Sub-Overseer, may be sanctioned as a temporary measure from the 10th instant.

(Signed) J. OUCHTERLONY, Lieut.-Colonel,
Acting Depy. Chief Engineer, Northern Circle.

No. 19. ORDER THEREON, 3rd February 1862, No. 112.

The Government authorize the continued employment of Kyrath Saib as a temporary Sub-Overseer, 2nd Class, 3rd Grade, for a further period of one year from the 10th instant, provided the services of a passed Candidate are not intermediately available.
