Proceedings of the Madras Government, Public Works Department, 4th February 1862.

Read again letter from the Chief Engineer, dated 24th December, and recorded in Proceedings of Government, dated 31st December 1861, No. 2,480 :—

No. 32. Read also the following letter from F. LUSHINGTON, Esq., Acting Accountant General, to Lieutenant-Colonel W. H. HORSLEY, Chief Engineer and Secretary to Government, Public Works Department, dated Fort Saint George, 20th January 1862, No. 285 :—

SIR,

1. With reference to the Proceedings of the Madras Government, dated the 31st ultimo, No. 2,480, received on the 16th instant, I have the honor to report that the Rules and Orders of the Government of India in the Financial Department, will not be infringed by the issue of the General Order applied for by the Chief Engineer in the concluding paragraph of his letter recorded in the above Proceedings.

2. I take this opportunity of stating that the proper course will be for the Chief Engineer, in future, to provide in the Public Works Budget, the full amount of the current salary and allowances of each Officer of the Public Works Department according to the sanctioned scale—this is intended by the Budget system. In the estimate of cash requirements, however, the amount of estimated payments on account of grants of 1861-62 and former years should be added ; and charges of 1862-63 which will not be disbursed within that year, should be deducted, the result will be the cash requirements of the year.

No. 33. ORDER THEREON, 4th February 1862, No. 119.

Under the opinion expressed by the Acting Accountant General the Government authorize the Civil Paymaster to pass all duly sanctioned charges of the Department Public Works, on account of Establishments and Contingencies, on the understanding that the total so passed does not exceed the 17 lacs allowed for the same. The Treasury orders granted for such charges, in consequence of their not having been specially provided for in the original Budget, will now be charged to the above assignment and adjusted.

(Signed) W. H. HORSLEY, Lieut.-Colonel,
Chief Engr. and Secy. to Govt., D.P.W.
