MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Acting Deputy Chief Engineer Central Circle, Chepauk, 10th May 1862, No. 418; to the Secretary to Government, Public Works Department.

I have the honor to report, for the information of Government, that I have sanctioned an Estimate, amounting to Rupees 100, for constructing a temporary Shed for the Guard over the Rifle Butts at Palaveram, and authorized the District Engineer, Madras, to proceed with the work immediately, as His Excellency the Commander-in-Chief has approved of the Plan and Estimate and has desired that the Shed might, if possible, be provided before the setting in of the hot weather. His Excellency further observed that the expenditure will be an eventual saving to Government as the loss which is now incurred by the wear of Tents will be avoided, and as it is competent for this Office to sanction an expenditure of Rupees 100 for improvements, in communication with the Commander-in-Chief, I thought it advisable to order this Shed to be erected without delay in anticipation of the sanction of Government.
