Proceedings of the Madras Government, Public Works Department, 3rd June 1862.

No. 47. Read the following letter from W. J. RAYNOR, Esq., Officiating Civil Paymaster, to Lieutenant-Colonel W. H. HORSLEY, Secretary to Government, Public Works Department, dated Fort Saint George, 16th May 1862, No. 199:—

SIR,

In reply to Proceedings of Government dated 5th instant, No. 957, I have the honor to state that, under the Rules, a moiety of Captain F. J. Moberly's salary is, from the date of his delivering over charge of South Canara, debitable to the Madras District, so that two District Engineers draw a moiety of salary debitable thereto. Strictly speaking there is nothing available towards meeting the claim of the Assistant District Engineer in charge, as the difference of Rupees 50 per mensem between the sum (Rupees 350) forfeited by Captain A. S. Moberly and that (300) drawn by Captain F. J. Moberly, constitutes a credit to Government. But it appears to me that if Mr. Kennedy shall have been in charge of the District in addition to that of his Range, and Government recognize the same, the moiety of a Civil District Engineer's salary can be passed to him under the spirit of Rule V, paragraph 14, Section 2, Chapter XV, of the Bengal Public Works Code, up to the date on which Captain F. J. Moberly relieved him, even though there be no sum available to meet the same.

No. 48. ORDER THEREON, 3rd June 1862, No. 1,239.

Under the opinion expressed by the Officiating Civil Paymaster the Government resolve to authorize that Officer to pass to Mr. Kennedy the moiety of a Civil District Engineer's salary, 2nd Class, in addition to the full salary of his substantive appointment, for the entire period during which he held charge of the Madras District.

Secretary to Government.
