SIR,

1. A vacancy having occurred in the Subordinate Department of the Godavery Delta District through the transfer of Overseer Stephenson to be employed under the orders of Captain Haig on the works in progress on the Upper Godavery, Major Stoddard, the District Engineer, urges the nomination of a successor without delay in consequence of the press of work during this the active season for operations.

2. Having made a reference to the Principal of the Civil Engineering College upon the subject, Lieutenant-Colonel Carpendale now informs me that one Student, by name J. O'Neill, has passed the prescribed examination, and that he possesses a competent knowledge both of the Tamil and Telugu languages.

3. The Principal considers him eligible in consequence for employment in the Department of Public Works as an Assistant Overseer, and I beg leave therefore to solicit the sanction of Government for his entertainment for duty in the Godavery District as a Supernumerary.

4. I may further observe that as Mr. Stephenson's salary is at present charged to the estimates for the Upper Godavery works the nomination of Mr. O'Neill will not entail a special extra item of expenditure on the fixed establishment.
