Proceedings of the Madras Government, Public Works Department, 5th June 1862.

No. 110. Read the following Endorsement of the Deputy Chief Engineer in charge of Southern Circle, dated Chepauk, 28th May 1862, No. 1,108 :—

Read the following letter from Captain J. BEAN, District Engineer, Malabar, to Lieutenant-Colonel W. I. BIRDWOOD, Deputy Chief Engineer, Southern Circle, dated Calicut, 19th May 1862, No. 33.

SIR,

In reply to your Extract of Proceedings No. 530, dated 14th instant, I have the honor to inform you that the greater portion of the Estimate amounting to Rupees 670 for converting the Infantry Place of Arms at Manantoddy into Offices for the Revenue Survey and Settlement Department, referred to in Government Order dated 10th instant, No. 1,809, accompanying your Proceedings, was carried out in the official year 1861-62. The sum expended and charged in the accounts was Rupees 633-15-0. As the work had to be executed on emergency, I did not delay in its execution, but applied for permission to charge its cost to new works in place of to repairs.

1 Original letter No. 33, dated 19th May 1862.

Submitted to Government with reference to paragraph 2, Order No. 1,009, dated 10th May 1862.

(Signed) J. OUCHTERLONY, Lieut.-Colonel,
Deputy Chief Engineer in charge of Southern Circle.

No. 111. ORDER THEREON, 5th June 1862, No. 1,271.

It appears from the foregoing papers that of the Estimate for Rupees 670, a sum of Rupees 633-15-0, was expended during the past official year from the Malabar District allotment, and as the work was urgently required, it may reasonably be inferred that the small balance of Rupees 36-1-0, has been already laid out during the current year. The sanction of Government to the above Estimate is consequently unnecessary, but a bill should be obtained and submitted in the usual course.

(Signed) W. H. HORSLEY, Lieut.-Colonel,
Secretary to Government.
