Proceedings of the Madras Government, Public Works Department, 10th June 1862.

No. 192. Read the following letter from Lieutenant-Colonel J. OUCHTERLONY, Acting Deputy Chief Engineer, Centre Circle, to Lieutenant-Colonel W. H. HORSLEY, Secretary to Government, Public Works Department, dated Chepauk, 31st May 1862, No. 4:—

SIR,

An estimate amounting to Rupees 646, framed by the District Engineer Presidency, for erecting a pair of costly iron gates at some one of the entrances to the old Government House appears to have been lying for some months in this Office undisposed of; and although I have reason to conclude Government do not at present contemplate carrying out the measure it provides for, still as it is apparently submitted under authority I consider it right to lay it before Government for their orders.

To Lieut.t Col.e W. H. Horsley
Superintending Engineer & Revenue Duties

Sir,

I have the honor to forward an estimate amounting to Rs. 640.— for the repairs of the Entrance Gate at the Old Government House, prepared by the Assistant Engineer Residency, for erecting a pair of coatty iron Gates at the entrance to the old Government House. It appears to have been lying for some months in this office undisposed of; but as I have reason to conclude Govt. do not at present contemplate carrying out the measure it provides for, and as it is apparently submitted under authority, I consider it right to lay it before Govt. for their orders.

I have the honor to be
