Proceedings of the Madras Government, Public Works Department, 10th June 1862.

No. 200. Read the following letter from W. J. RAYNOR, Esq., Officiating Civil Paymaster, to Lieutenant-Colonel W. H. HORSLEY, Secretary to Government, Public Works Department, dated Fort Saint George, 2nd June 1862, No. 222 :—

SIR,

With reference to paragraphs 1 and 2 of Proceedings of Government 15th June 1861, No. 1,111, I have the honor to enquire whether it was the intention of Government that Captain G. A. Searle should be permanently transferred to the Public Works Department and borne as a Supernumerary 2nd Assistant District Engineer until a vacancy occur; or whether he was transferred to that Department only as a temporary measure, in which latter case he would not be entitled to any Civil salary while in transit to join his new appointment.

No. 201. ORDER THEREON, 10th June 1862, No. 1,316.

The Civil Paymaster will be informed with reference to the foregoing letter that in re-appointing Captain Searle to the Public Works Department, it was not intended that he should be borne as a Supernumerary 2nd Assistant District Engineer until the occurrence of a vacancy, but that he should act for Lieutenant Montgomerie so long as that Officer continued to be employed on special duty in the Upper Godavery District. Considering, however, that Captain Searle was ordered on public duty, and at the public expense from the Godavery District to North Canara, and that his services in the latter District were dispensed with by the Bombay Government, His Excellency the Governor in Council considers that he is fairly entitled to salary and travelling allowance in returning to his previous appointment.

(Signed) W. H. HORSLEY, Lieut.-Colonel,
Secretary to Government.

The Civil Paymaster will be informed with reference to the foregoing letter that in reappointing Capt. Searle to the P.W.
