REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Board of Revenue, dated 3rd December 1861, No. 6,690:—

Read the following letter from A. PURVIS, Esq., Collector of the Godavery District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Cocanada, 15th November 1861, No. 166.

SIR,

1. With reference to the Proceedings of Government, No. 2,010, forwarded with Board's orders of 21st ultimo, No. 5,793, directing me to carry out the arrangement alluded to in my letter of the 18th July to the address of the Officer in charge of Sappers and Miners at Dowlaishwaram, I have the honor to report that the Deputy Quarter Master General is in error in stating in the 4th paragraph of his letter to the Secretary to Government of the 5th September, that the tank, on account of the repairs made to which the proprietor of Bomur claims a sum of 200 Rupees, is not within the new limits. I have ascertained from personal inspection that it is situated within the new boundary line. The Deputy Quarter Master General probably thought the tank referred to was the one near the road from the Cantonment to Rajahmundry which is just beyond the new line, and is well defined in the plan. Under these circumstances, I request the Board will be pleased to obtain the sanction of Government for the disbursement of the sum of 200 Rupees to the proprietor.

2. I am not aware whether any provision for such incidental payments as the one under notice has been made in the Budget of the Military Department.

Ordered to be submitted to Government, with reference to their Proceedings quoted by the Collector, and with the Board's recommendation that payment of the compensation for the tank in question be at once sanctioned. The amount is so small that it can doubtless be met from the Military Estimates.

(Signed) W. HUDLESTON, *Secretary.*

ORDER THEREON, 12th December 1861, No. 2,309.

Referred to the Military Department, with reference to Government Order in that Department, dated 1st October 1861, No. 3,542.
