Proceedings of the Madras Government, Public Works Department, 11th June 1862.

No. 208. Read the following letter from Lieutenant-Colonel F. H. RUNDALL, Consulting Engineer for Irrigation and Canal Company, to Lieutenant-Colonel W. H. HORSLEY, Secretary to Government, Public Works Department, dated 26th May 1862, No. 12:—

SIR,

1. In the accompanying letter* received from the Agent, the Chief Engineer submits for sanction plans and estimates, amounting to Rupees 3,905, for constructing buildings to be used as offices and temporary store sheds, &c., in the Kundar division, which will be necessary during the construction of the works, for which estimates have been already forwarded to me, and which will shortly be submitted to Government.

* Dated 16th May 1862, No. 163.

Rupees 3,905.

2. The buildings are all planned on the most economical design, and will be absolutely necessary for the shelter of the Overseers and others engaged in the supervision of the works. The Chief Engineer is anxious to obtain early sanction for the estimates, that the buildings may be constructed before the setting in of the monsoon, and I beg to recommend their being sanctioned accordingly.

3. The Chief Engineer states, that provision is made in the estimates for the section of the Canal in which these buildings are required, and their cost will be charged hereafter to those estimates, but it will be better to sanction the present estimates, amounting to Rupees 3,905 and deduct that sum from the Canal estimate, when submitted.

No. 209. ORDER THEREON, 11th June 1862, No. 1,320.

Sanctioned.
