Proceedings of the Madras Government, Public Works Department, 12th June 1862.

No. 226. Read the following letter from Lieutenant-Colonel J. OUCHTERLONY, Acting Deputy Chief Engineer, Central Circle, to Lieutenant-Colonel W. H. HORSLEY, Secretary to Government, Public Works Department, dated Chepauk, 27th May 1862, No. 1,046:—

SIR,

1. I beg to submit the enclosed letter for the consideration of Government (No. 247, dated 23rd May 1862) from District Engineer Presidency.

1 Letter from the District Engineer Presidency, No. 247, dated 23rd May 1862.

2. The letter and estimate therein referred to cannot be found in this Office, and I have therefore requested Colonel Hitchins to furnish me with duplicates, but in the meantime as it is highly inexpedient to leave valuable machinery to deteriorate from want of cleaning, I have taken it upon myself to authorize the District Engineer to proceed at once with that operation, leaving the question of painting aside until the sanction of Government has been received.

3. I trust this proceeding will meet with the approval of Government.

No. 227. ORDER THEREON, 12th June 1862, No. 1,328.

1. The proceedings of the Acting Deputy Chief Engineer, Central Circle, as reported in this letter, are approved.

2. The Government will await the receipt of the estimate which is stated to have been called for.

(Signed) W. H. HORSLEY, Lieut.-Colonel,
Secretary to Government.
