EDUCATIONAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from E. B. POWELL, Esq., Acting Director of Public Instruction; to the Acting Chief Secretary to Government, Fort Saint George, dated 23rd May 1862, No. 965.

In connexion with Mr. Arbuthnot's letter to Government of the 25th February last, No. 397, I have the honor to submit herewith, from Lieutenant-Colonel Carpendale, a plan, and estimates, the latter amounting in the aggregate to Rupees 1,350, for repairing and improving the Chepauk Palace, so as to adapt it to the requirements of the Civil Engineering College.

2. On receiving the plan and estimates, I called upon Lieutenant-Colonel Carpendale to revise them, as it appeared to me that so large an expenditure as Rupees 1,350 was not contemplated by Mr. Arbuthnot in his letter above referred to. Lieutenant-Colonel Carpendale, however, strongly urges that the repairs, &c., should be executed as recommended by him, and he states that "to curtail the improvements in any way" would "much impair the efficiency of the building."

3. Under the circumstances, I beg to recommend that sanction be granted for the sum of Rupees 1,350. The amount will be debited to the Educational Building Fund, and can be provided for out of the sum entered in the Budget Estimate for Educational Buildings.

From Lieutenant Colonel Carpendale, dated 12th May 1862, No. 58,
do. 20th do. „ 62.

4. The letters noted in the margin are sent herewith for the information of Government. I beg that they may be returned when no longer required.

ORDER THEREON, 3rd June 1862, No. 171.

The Government sanction the work provided for in the estimates submitted amounting in the aggregate to Rupees (1,350) one thousand three hundred and fifty, the same to be debited to the Educational Building Fund.
