266	Aug. 31st	Repairing road from Coimbatore to Conghiem, sanctioned by Government in Extract Minutes Consultation, dated 29th January 1857, No. 227.	1,050	1,067	12	5	17	12	5	1¾	1860-61.	This Bill is submitted for sanction under paragraph 70, Chapter V of the New Code. The allowance for this road was Rupees 1,050 but owing to the reduction of 18 per cent. on repairs in the year 1860-61, the amount authorized for expenditure in that year by the District Engineer was Rupees 861. The actual expenditure, however, was Rupees 1,067-12-5. The reduced allowance had been exceeded by Rupees 121 when the present District Engineer took charge; but that Officer explains that on account of the repeated complaints made by the Collector of the bad condition of the road, he was obliged to authorize a further outlay. The total amount allowed in the Budget should not however have been exceeded; but as the excess is trifling, sanction is requested to the Bill.
