No. 24. Read the following Proceedings of the Board of Revenue, dated 9th December 1861, No. 6,849 :—

Read again letter dated 20th July 1861, No. 168, from the Collector of North Arcot.

(In Cons. 23rd July 1861, No. 4,594.)

Read also the following letters from the same Officer, dated 13th August and 18th October 1861 :—

Letter dated 13th August 1861, No. 198.

1. I have the honor, with reference to the Board's Proceedings dated 31st July 1861, No. 4,109, to state that none of the other Bungalows in this District are sufficiently frequented by Travellers to make it worth while to keep up at them extra menial establishments.

2. If it be decided to act on my recommendation, and to replace the Bungalow at Palmanair on its former footing, or otherwise dispose of it, I would beg to propose that the crockery, &c., now in it be transferred to the Bungalow at Putūr, the point up to which the Cuddapah railroad has been, or is about to be, opened. The lower occupation fee might then be charged, as would be done in the Chittoor Bungalow in the event of the extra establishment there being discharged, and its being re-placed under the charge of a pensioned Sepoy and Sweeper.

Letter dated 18th October 1861, No. 255.

I have the honor, with reference to my letter of the 13th August last, No. 198, to report for the information of the Board that I have, in anticipation of their sanction, discharged the extra establishment that was attached to the Palmanair Bungalow, as well because the receipts go no way towards meeting the charges, as because after several unsuccessful experiments, it has been found impossible to procure for the wages offered, a set of decent and well behaved servants to put in charge of it. I have accordingly re-placed the Bungalow in charge of a pensioned Sepoy ; and as the crockery, &c., still remain in it, have directed that the lower occupation fee be levied from Travellers until such time as I am favored with the Board's instructions on the subject.

1. Resolved that the letters above recorded be submitted for the orders of Government.

2. Owing to the abandonment of the Palmanair road by Travellers since the opening of the Railway to Tripatore, the Collector recommends that the extra menial establishments employed at Chittoor and Palmanair be dismissed ; that the former Bungalow be re-placed on its old footing with a pensioned Sepoy and Sweeper to look after the crockery and furniture ; and that the latter be sold, or converted into a Moonsiff's Court House in lieu of the present building, which is altogether unfit for the purpose. In another letter, he suggests that the crockery, &c., of the Palmanair Bungalow be transferred to Putūr on the Cuddapah and Madras road, the point up to which the North West Railway is about to be opened, and that the lower occupation fee be charged to Travellers who may make use of the Bungalow.

3. The Board approve of the above propositions, and recommend them for the sanction of Government.

4. In the last of the letters recorded at the head of these Proceedings, the Collector reports having discontinued the extra establishment at Palmanair in anticipation of the sanction of Government.

No. 25.

ORDER THEREON, 7th January 1862, No. 14.

1. Under the circumstances stated, the Government sanction the discontinuance of the extra establishment at the Travellers' Bungalow at Chittoor and Palmanair, as also the re-placement of the former Bungalow on its old footing with a pensioned Sepoy and Sweeper. The crockery, &c., at Palmanair will, as suggested, be transferred to Putūr, where the occupation fees will be charged to Travellers according to the rules.

2. The question of the conversion of the Bungalow at Palmanair to a Court House for the District Moonsiff will be considered in the Judicial Department.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 31st July 1861.

Read the following letter from J. D. ROBINSON, Esq., Collector of North Arcot, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Palmaner, 20th July 1861, No. 168:—

1. I have the honor to submit for the Board's consideration a Statement for the half year ending 30th June 1861, exhibiting the receipts and disbursements on account of furnished Bungalows at the stations noted in the margin. From this the Board will learn that the system so far as it has been tried in this District is not self-supporting. At the Chittoor and Palmaner Bungalows alone were extra menial Establishments entertained; and although through a misapprehension of the meaning of the order the pensioned Sepoys were not discharged until June, still had that economy been effected from the time intended the receipts at neither would cover the charges.

3. The Vellore and Petamur Bungalows have no such extra Establishments, and are simply provided with crockery, &c., which are available for the use of Travellers at the lower occupation fee.

4. It thus becomes a question whether these extra Establishments should any longer be kept up. Looking to the fact that the Palmaner road has been entirely abandoned by Travellers since the railway was open to Tripatur, and that access to Cuddapah will ere long be through the Naggery valley now partially traversed by rail, I am of opinion that the maintenance of extra Establishments at the Chittoor and Palmaner Bungalows is mere waste of money, and that both should be re-placed on the old footing of a couple of Sepoys and a Sweeper each, the former being responsible for the safe custody of the crockery and furniture, for the use of which the Traveller should, as at the Vellore and Palmaner Bungalows, be charged the lower occupation fee.

5. Indeed, as regards the Palmaner Bungalow, I would strongly recommend that as it is no longer required, nor ever was suited for a place of public accommodation, it should either be sold or, what would be a better arrangement still, be converted into a Munsiff's Court house, which is much wanted, the building now used as such being in every respect unfit and objectionable.

ENCLOSURE No. 1.

ABSTRACT.—Statement showing the receipts and disbursements on account of the furnished Bungalows in the District of North Arcot from January to June 1861.

The Collector will please to report whether the Establishment in question can be transferred to other more frequented Bungalows in his District with advantage to the public.
