Proceedings of the Madras Government, Public Works Department,
19th July 1860.

No. 319. Read the following letter from W. J. RAYNOR, Esq., Acting Civil Auditor, to J. D. BOURDILLON, Esq., Secretary to Government, dated Madras, 13th July 1860, No. 243 :—

1. In returning the documents received with the Orders of Government, dated 10th instant, No. 1,475, Public Works Department, I have the honor to state that there is no information in this Office regarding Mr. Dunlop, nor are his allowances susceptible of Audit here.

2. The allowance claimable by Mr. Dunlop while on leave (as per Certificate of the Officiating Chief Engineer, Pegu, Tenasserim and Martaban Provinces, dated 7th April last,) could only be paid at this Presidency, under the sanction of Government, by means of advances from the General Treasury, recoverable through his Departmental superiors.

No. 320. ORDER THEREON, 19th July 1860, No. 1,547.

The Government consider the papers submitted with the Chief Engineer's letter of the 5th instant to be sufficient to enable them to order the payment of Mr. Dunlop's half salary while at Madras on the leave specified in the Certificate produced by him, signed by Captain Newmarch, Acting Chief Engineer, Pegu, &c., and dated 7th April. The Governor in Council therefore authorizes the Sub-Treasurer to make payments according to that Certificate, the amount to be recovered by the Accountant General.
