Official Memorandum

The As Reporter of External Commerce  
in forwarding the Statement of Tobacco called for  
in the Official Memorandum of the Secretary to  
Government dated the 6<sup>th</sup> Instant, begs to state  
that the quantity of Manufactured Tobacco which  
was principally in the form of Cigars cannot  
be given entirely in lbs from the years 1856/57  
to 1859/60, - as Cigars were then passed by Value  
and Number and not by Weight as at present.

The Imports and Exports of the ports  
of Madras have been distinguished from those  
of the subordinate ports of the Presidency - and  
the Statement of Exports from Madras is  
limited to Tobacco being Country produce.  
But it is not practicable to ascertain  
accurately the actual Quantity of Country Tobacco  
Exported to Calcutta from the other Ports of the  
Madras Presidency, as the Collectors in their  
Statements do not give the place of produce.  
It is however very probable that the bulk  
of Tobacco Exported to Calcutta was  
Country produce, as it was principally  
shipped from the Northern Ports - where it

is cultivated and manufactured to a large extent. Still a part of the Exports may have consisted of Re Exports of Foreign Tobacco. —
